INVITATION FOR BID #5068-VK FOR VIDEO STORAGE, STREAMING AND CAPTIONING

NOTICE TO BIDDERS

THE FOLLOWING ADDITIONS, DELETIONS, AND/OR CHANGES SHALL BE MADE AND INCORPORATED IN THE SUBJECT INVITATION:

Questions/Answers:

1. Question: Is Real Player format the only format the University will consider? We support Flash, Windows Media and Silverlight. We could offer to transcode all your existing content to a newer format/codec if you are open to this. Going forward we could encode all new content in one of the 3 above mentioned codec's.

Answer: We only want to use Real. Everything is in Real now, we have the software and system set up to transcribe, store, file and run all speeds of Real. Having over 4-5000 hours of real video changed to another format is not in our best interest. The quality will not be as high and these are streamed, which means there is already generation loss in quality.

Real is proven to be reliable.

ALL OTHER TERMS, CONDITIONS AND SPECIFICATIONS REMAIN THE SAME.
ADDENDA MUST BE RETURNED WITH THE ORIGINAL BID PACKAGE.
